

COMPANY DESCRIPTION

Medtainer, Inc. is a Florida Corporation established in 2011 to develop, manufacture and distribute medical device products to the medical, health and wellness industries.

Medtainer, Inc.® markets and sells the Medtainer®.

The Medtainer® polypropylene safety container is a versatile product, being able to traverse numerous consumer “on the go” needs. The product’s design includes both air-tight and grinding capabilities providing the ability to transcend various markets and expand its everyday uses. Medtainer is now a preferred application into many markets and industries such as tea, culinary, coffee, pharmaceuticals and veterinary medicine in addition to its primary cannabis application. The Company’s headquarters are in Corona, CA and proudly manufacture the Medtainer® in the United States.

INVESTMENT OFFERING

The Company is raising capital by offering the following investment opportunities to the accredited and institutional investors:

- \$2M 8% Convertible Notes with up to three-year term, which Converts to Medtainer, Inc. Common Stock at a 20% discount at investor’s discretion.
- \$10M Private Offering of Common Stock. (Anticipated)

INTELLECTUAL PROPERTY

- United States Patent US 8,695,906
- United State Design Patent US D689,347
- Canadian Patent #PCT/US2012/061498
- European Patent Application No. 12844086.4

PROBLEM

"The Medtainer(TM) practically stands alone in the cannabis industry. Its built-in grinder can reduce pills to powder in less than 30 seconds, allowing the user who has difficulty swallowing to take medicines easily and efficiently. The Medtainer complies with laws regarding child safety and is constructed of FDA approved #5 polypropylene."

SOLUTION

The Medtainer was engineered as pediatric an easy to use, affordable solution, to break down medication for the needs of and geriatric patients.

It is the first-ever FDA approved polypropylene air-tight, water-tight, smell-proof delivery and storage container with a built-in grinder.

TRACTION & MILESTONES

- Sold in over 40 Countries, 6800 clients and 1,400 brands applied to the Medtainer.
- Expanded to cannabis, promotional industry, pharmacy, smoke shops, convenience/drug stores, medical and global ecommerce.
- Recently added sales, distribution, printing and fulfillment services.
